

Dormidontov Dmitry Gavrilevich

1907-1984

A participant of the Great Patriotic war, my great-grandfather on my father's side, Dmitry Gavrilevich, was born in 1907 in the village of Maar Kuol. Leaving his wife and two children, in 1941 he went on foot as a volunteer to the war. He fought in the Leningrad front. After receiving a serious inflammation, he was treated in a hospital.

When he returned home, he worked in a wood processing plant until he had an honorable rest. He was awarded some jubilee medals, a medal "For bravery" and "For valor". We are proud of him, he fought for a great victory. Dmitry Dormidontov, a student of the 11-th biology-chemistry class, Republican Lyceum
