

Osipov Nikolai Nikolaevich

My paternal great-grandfather is **Nikolai Osipov**. He was born in 1898, died in 1962. He studied at a church school in the village of Toybohoy, Suntarsky district. That was before the revolution.

My great-grandfather was not taken to war. Throughout the war, my grandfather worked as a tax agent. It was a very difficult job. After the war my great-grandfather was awarded the badge “Great Worker of the financial service of the USSR”, medals “For Valiant Labor in the Great Patriotic War” and “For Labor Distinction”.
